Honoring our volunteer fire fighters and emergency response professionals

New Jersey American Water applauds the men and women who volunteer for and support our fire departments in Burlington County. You provide an invaluable service to our communities, and we thank you for your hard work and dedication.

We're proud to provide water service to the hydrants you use. And, making sure we have adequate fire protection is always a factor when we make system upgrades. Since 2008, New Jersey American Water spent \$42 million in Burlington County alone on system improvements. Whether it be installing larger diameter pipe, upgrading our storage facilities or maintaining the hydrants you use, you can count on us.

In 2010, we also launched New Jersey American Water's Volunteer Fire Fighter Grant Program, which provides grants to support volunteer fire departments and emergency service organizations located within our service territory. Since the program began, we have assisted 40-plus volunteer emergency groups purchase emergency gear, life-saving equipment, training materials and essential firefighting apparatus.
