THOSE WHO SERVED

AN ALBUM OF

PALMYRA'S

WORLD WAR II AND

KOREA WAR VETERANS

On bronze tablets, the Palmyra War Memorial lists the names of its residents who left the borough to serve in the United States Armed Forces during times of war. This album of graduation pictures from issues of the Palmyra High School yearbook *Tillicum* is an attempt to capture the likenesses of some of these servicemen and servicewomen when they were young and on the brink of answering the nation's call to duty.

Biographies and some photos of the men who fell during war are presented on the Borough of Palmyra's website on the link for Community - Palmyra War Memorial Committee.
