OUR HISTORY

Organized in 2007, the Palmyra/Riverton Senior Program, subsequently named the Palmyra Senior Citizens Program, Inc., offers a myriad of activities. We provide social activities and workshops for the membership through various venues. Participants become aware of support systems, emergency services, concepts of wellness, adequate health care, alcohol/tobacco/and other drug related problems, and involvement in intergenerational community activities. Discussion of the aging process and medications are emphasized. This program is integrated with other senior groups, the school system, community businesses, doctors, Virtua Health Care System, VNA, pharmacies, and the Office on Aging. We enjoy each other's company and give back to the community on a regular basis. All seniors who live in Burlington County are welcome. Registration is \$15 per year which includes mega perks.
