Re: South Broad Street Improvement Project
Borough of Palmyra

Dear Resident:

This letter is to inform you that the Borough of Palmyra is in the process of designing the South Broad Street Improvement Project. This project includes roadway, sidewalk, curb and driveway apron improvements along South Broad Street from Park Avenue to Public Avenue. As a resident that will be impacted by this project, the Borough would like to extend an invitation to you to a special meeting that will be held to discuss this project. This meeting will be held on July 23, 2015 at 6:00 PM at the Palmyra Community Center. This meeting will allow you to meet with the Borough Engineer to view and discuss the proposed construction plans. If this is a rental property we ask that you extend the invitation to your tenant.

While not required, we would appreciate if you please call or email Danielle Wilcox of our office if you plan on attending the meeting so that we have an indication of the number of people to accommodate. Our office phone number is (856) 235-7170 and Danielle's email address is dwilcox@erinj.com. Thank you for your cooperation with this project.

Sincerely,

William H. Kirchner, PE, CME
Palmyra Borough Engineer
