

Free Home Security Inspections

Provided by the
Burlington County Sheriff's Department

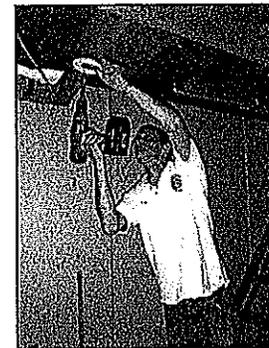

The department's Senior Services Unit provides *FREE* home security surveys and safety modifications to seniors (60 and over) and persons with disabilities. Our technicians will come out to a senior's home by appointment and conduct a security review and make recommendations on how to better secure their homes.

Crime Prevention Specialists are available to give Home Security Workshops and presentations to clubs, churches and civic & community groups. Many senior associations have taken advantage of this important program.

Our specialists will install at no charge any of the below listed security items and instruct the senior on their use and operation.

- Deadbolt Locks
- Door Viewers (peep holes)
- Reflective House Numbers
- Smoke Detectors
- Carbon Monoxide Detectors
- Emergency Power Failure Flashlights
- Med-Info Packets
