**For Heart-Healthy Recipes and Health and Wellness Information  
go to [www.DemandDeborah.org](http://www.DemandDeborah.org)**

Deborah Heart and Lung Center has established relationships with various New Jersey statewide organizations. These partnerships are endorsed by the executive leadership and/or governing body of each organization. The endorsement signifies that the organization recognizes Deborah's premier status as a specialty hospital and encourages its members to utilize all Deborah services. If you haven't received your card, ask us at the event.
