Re: Electronics Rate Increase

Please be advised that our charge for televisions, laptops, computer monitors and computer related equipment will increase from \$30.00 per unit in a mixed load to \$100.00 per unit effective immediately. These items are banned by law and any load containing these items will be surcharged accordingly. I have attached a flyer that lists options for disposing your televisions.

If you have any questions please call me @ 609-499-1001 ext. 265

Thank you.
