## COMMUNITY NEWS + EVENTS

With the nicer weather approaching and more residents outside, the **Palmyra Police Dept.** would like to remind everyone that the roadway is for cars and that those walking should be walking on the sidewalk if sidewalks are provided. All pedestrians are required to cross at crosswalks or from a corner at cross streets. Those operating a motor vehicle must stop for pedestrians in a marked crosswalk.

Those riding bicycles need to obey the same traffic laws as a person driving a motor vehicle. Bikes also need to have an audible device, such as a horn and a light. NJ law also requires that anyone under the age of 17 wears an approved bicycle helmet while riding a bicycle.
