PALMYRA SPOTLIGHT: EMPLOYEE

Michael Lunemann, *Code Enforcement Officer and Abandoned/Vacant Property Manager*

- As Code Enforcement Officer, Mr. Lunemann is tasked with enforcing Chapter 203: Property Maintenance of the Code of the Borough of Palmyra that includes enforcement of high grass; stagnant water conditions (that breed mosquitos); abandoned/junk vehicles; unsightly and dangerous property conditions; and trash, leaves and brush/limbs placed at the curb before scheduled collection times.
- As the Abandoned/Vacant Property Manager, Mr. Lunemann is responsible for the identifying and tracking vacant properties and billing the owners (typically banks) for all registration fees. He will also strictly enforce our codes and require these owners to maintain their properties. Mr. Lunemann will also coordinate Borough efforts to keep the properties secure and, in extreme cases, order structurally unsafe properties demolished.
- Michael comes highly qualified with over 19 years in the building and mechanical trades, with multiple inspection licenses and certifications.
