Purchase Agreement

Komatsu CARE — a complete service and advanced product support solution that we provide to our customers throughout the entire lifecycle of the machine. Every new Komatsu Tier 4i/Tier 4 Final construction machine is covered. The Komatsu CARE program covers all new Komatsu Tier 4i/Tier 4 Final construction equipment, whether rented, leased or purchased. For the first 3 years or 2,000 hours, whichever occurs first, you'll receive:

- Regular service at 500, 1,000, 1,500 and 2,000-hr. intervals
- 50-point inspection by factory-trained technician at each scheduled interval
- Technician labor
- Fluids, oils, coolant, filters and parts (note: engine air filters are NOT included)
- Technician travel to and from your equipment location. The Komatsu Care Program will contribute up to \$300 credit towards travel expenses per visit.
- Tier 4i/Tier 4 Final construction equipment comes standard with two (2) complimentary KDPF exchange units for the first 5 years/unlimited hours. (*Note: if the Unit has 2 KDPF Filters, then there's one (1) complimentary KDPF exchange per unit.)

Service will be performed by a Komatsu Distributor and only Komatsu genuine fluids and filters will be used. Komatsu CARE services are available from every Komatsu Distributor in the US and Canada.

KOMTRAX — Knowledge is power. It's the power of having critical information at your fingertips, 24 hours a day, to help you make better daily and long-term strategic decisions. That's one reason Komatsu designed KOMTRAX: to provide you with answers to critical questions about your machines—what they're doing, when they did it, where they're located, how they can be used more efficiently, and when they need to be serviced. With KOMTRAX, owners, managers and operators can monitor machines on the Web; anywhere, anytime. The result is the power to make fact-based decisions having a direct effect on your bottom line through increases in efficiency and productivity, while lowering owning and operating costs.
