Dear Friends in the Riverfront at Palmyra,

As you know by now, the Borough began collecting curbside trash in the Riverfront on Tuesday, July 18th.

This is the beginning of a process to eventually phase out reliance on Republic and other contractors and transition to self-performing trash collections throughout the entire community – and the Riverfront is our first step!

Our goal is to improve service, reduce customer complaints, and reduce costs. And so far, we're accomplishing all three!

In fact, we also just installed state of the art video dash cameras in our trucks that we'll review after each collection day to help us improve our efficiency and service!

To be successful we need your assistance too however. To make this process as smooth as possible please see the enclosed flyer that explains how you can help.

Thank you very much for your cooperation and as always please feel free to contact me at (609) 471-4512 or gtait@boroughofpalmyra.com if you have any questions. And by all means please enjoy the rest of your summer!

All the best,

A handwritten signature in blue ink that reads "Gina Ragomo Tait". The signature is fluid and cursive.

Gina Ragomo Tait
Mayor, Borough of Palmyra.
